

Oldknow Annual Pie Competition 2011

Are you passionate about pies?

Can you cook?

Why not have a go and have a chance of winning a Special Prize in the annual Samuel Oldknow Pie Competition – our quest to find Marple's best pie!

Our competition this year will have 4 categories:

1. Savoury Pie (meat, fish, vegetables, etc.)
2. Fruit Pie
3. 'A Pie for One' – How many times do people say 'no point in going to all that trouble just for one'? Well here is your chance to show how easy it can be done
4. Professional category (i.e. local businesses or pubs). Savoury or fruit.

If you wish to enter you can email or phone for details and an application form or just turn up on the day with your pie. You do have to be 18 and over to enter. But there is no upper limit.

Send your email to **andrealjenkins2003@yahoo.co.uk** or phone **07748-542672**.

The pies should be brought to market street at midday. They will be judged at 1 pm and the winner announced as soon as the judging is finished and in this paper.

The judges will judge the entries based on appearance, flavour, filling, pastry and topping.

(Persons of any age may enter but only entrants under 18 are eligible to win the 'Special Prize')

If you don't want to enter the pie competition then how about letting us have your old or new pie recipes so we can put them together for a small booklet. Bring them along to the pie stand on the day.
